

Below are the results of the CBA Show Day poll of its consignors. The listing below represents the responses through August 31st. Please be aware that many consignors adjust their plans up until they actually ship in, so while this list will be mostly accurate there are likely to be a few changes. The CBA will be checking with our members that we haven't heard from and making changes through next Thursday, Sept 7th. We will then republish this Poll with revised results. For the most current information go to www.consignorsandbreeders.com. We hope this Poll is helpful to both buyer and seller. Please email us with any changes or updates to your schedule or any suggested improvements at info@consignorandbreeder.com. Thank You for your support.
