### SHOWING TIPS FOR THE SALE

#### Begin at the End (or even the Middle)

Yearlings for Book 1 cover barns 1 to 19, yearlings for Book 2 cover barns 22 to 49 and yearlings for Book 3 cover barns 1 to 28. Historically lookers often start in the first barn of a given book and work their way through. Instead, we suggest starting at the end or somewhere in the middle to avoid traffic jams.

#### If the crowd zigs you zag

If an area suddenly gets crowded, be flexible and jump over a few barns and then come back. Often one barn is swamped while a nearby barn is fairly quiet. However, if the whole area is active, jump to another area entirely. Keeneland has lots & lots of shuttles roaming the grounds. Remember, don't waste time standing in a sea of humanity and equine — there is always someplace to see horses efficiently, if you avoid the straight line.
