SHOWING TIPS FOR THE SALE

Begin at the End (or even the Middle)

Yearlings for Book 1 cover barns 1 to 19. Yearlings for Book 2 cover barns 22 to 49. Historically, Lookers often start in the first barn of a given book and work their way through in numerical order. Instead, we suggest starting at the end or somewhere in the middle to avoid traffic jams. This will be especially true once Lookers start Book 2.

If the Crowd Zigs You Zag

If an area suddenly gets crowded, be flexible and jump over a few barns and then come back. Often one barn is swamped while a nearby barn is fairly quiet. However, if the whole area is active, jump to another area entirely. Keeneland has lots & lots of shuttles roaming the grounds. Remember, don't waste time standing in a sea of humanity and equine -- there is always someplace to see horses efficiently if you avoid the straight line.
